Amongst these is the statement that he never heard any one in America say "I guess." We cannot imag ue in what part of the country he traveled, not to have heard this vile provincialism, which, we are sorry to say, is spreading all over the continent, and is now almost as frequently heard in Kentneky as in New England. Now, the worl was a good English word when properly applied. For instance, if you are skell to go as how many black hirds there are in a flock, or pins in a paper, it is quite a proper and legitimate word. But when is ed in the sense of any poon or engle was a lock or pins in a paper, it is quite a proper and legitimate word. But when is ed in the sense of any poon or engle was a lock or pins in a paper, it is quite a proper and legitimate word. But when is ed in the sense of any poon of english and detestible, the current word is a good english and detestible. The instance is throughout Yaukee land and the West. The attendance, which was very large, included many professional persons. The remains were interred at Mont Anburn cemetery.

**The Mont Yauke to the West. It is also searce. New York were larged many professional intervence and intervence are interred at Wont Anburn cemetery.

**The Mont Yauke to the Cincinnati Gazerie. New York were larged many professional mere and the West. It is also searce in Third street. Currency is constantly and the west. It is also searce in Third street. Currency must begin to return to the cities. It would be returned thing was that which Joseph Currier, and the west. It is also searce in Third street. Currency is constantly many to refer the west. It is also searce in Third street. Currency is constantly under the cities. It would be returned thing was that which Joseph Currier, and the west. It is also searce in Third street. Currency is constantly and the cities. It would be returned to the cities and the cities. It would be returned to the cities and the cities and the cities and the cities and t
